

# PINOT NOIR 2020

## 'EN FAMILLE' RESERVE

### Vineyards

- Albrecht Family Vineyard, Naramata Bench

### Production

The grapes were picked and sorted by hand, then destemmed, crushed and fermented on skins for one week (using RC212 yeast). The wine was then pressed off skins, settled for 24 hours, and aged 10 months in barrel on fine lees. We used exclusively Burgundian oak (Billon & Damy, 15% new, medium toast). The wine was cross-flow filtered and aged 15 months in bottle before release.

### Tasting Notes

A refined, polished Pinot Noir that beautifully balances fruit, acid and tannin. This wine indulges the nose and palate equally with black cherry, currant, cocoa, mint, and lush notes of pomegranate balsamic. Historically, this wine ages gracefully for 5-7 years, however, we feel this vintage is drinking perfectly right now.
