## Production

The grapes for this wine were hand-sorted, crushed, de-stemmed, gently pressed before a 48-hour settling period, from which the juice was fed into stainless steel. Fermentation temperatures were kept below 16 degrees Celsius and select yeasts were chosen for individual varieties to preserve the delicate aromas of each.

## Tasting Notes

This aromatic wine exhibits an intense nose of guava, nutmeg, and clove. This spiciness continues onto the palate and opens up with unctuous flavours of lychee, coriander, and guava carrying through to a grapefruit-fresh finish. A Noble Blend is classically enjoyed with Alsatian dishes such as tarte flambée or choucroute, but is an excellent accompaniment to the modern cuisine of the Pacific Northwest.
