

TINY BUBBLES 2022

Vineyards

- Gil Family Vineyard, Oliver
- Selwood Family Vineyard, Naramata

Production

The grapes were picked and sorted by hand, then destemmed, crushed and pressed to stainless steel tanks. Temperatures were intentionally kept low to extend ferment time and build complexity. Each vineyard and fruit lot was fermented separately, using a total of three different yeast strains. The wines were then blended, stabilised, and crow-flow filtered before being canned February 7th. The wine's natural spritz from fermentation was preserved and topped up to 2 atmospheres of pressure during canning.

Tasting Notes

Get in the aloha spirit! This clean, fresh, fun wine flaunts all things tropical: guava, passionfruit, and star fruit figure prominently on the finish, while grass, lime zest and pineapple flavours linger on the finish. Gentle carbonation lifts the flavours while keeping things light. This wine is at home on the beach, in the park, by the pool, on a sunny patio (or when you're longing for those easy good times).

Vintage		2022
Variety		Viognier (55%), Sauv Blanc (45%)
Appellation		Okanagan Valley
Acid		7.58 g/L
Residual Sugar		6.00 g/L
Alcohol		12.5%
