## Production

These grapes were hand picked, meticulously sorted and destemmed. The whole berries were gently pressed before a 48-hour settling period in a stainless steel tank. The juice was then racked off heavy lees and transferred for a cool fermentation. A combination of individual varietal fermentation as well as co-ferments took place. Carefully selected yeasts were chosen for specific fermentations, while others experienced an ambient fermentations. Together, this amplifies its incredible texture and creates more depth and character.

## Tasting Notes

This wine, kissed by the Summer Okanagan sun, exudes warm citrus and heritage orchard fruit aromas (white peaches, green apple). The palate offers playful tension with bright citrus, rose petal, lychee, and savory undertones (spicy thai basil, fennel). Intense aromatics, a round mouthfeel, and linear acidity create balance. Skillfully crafted for versatile pairing or delightful standalone enjoyment, it promises a harmonious experience.
