

TINY BUBBLES ROSÉ 2023

Vineyards

Sleeping Dog Vineyard, Naramata Bench

Secrest Mountain Vineyard, Oliver

Production

The grapes were picked and sorted by hand, crushed and destemmed. The majority of our gamay was direct-pressed, and the pinot noir was left to soak for a maximum of 12 hrs. This created the incredible hue you see in this wine now. Once the desired taste and colour were extracted, the juice was pressed off skins into stainless steel tank and settled for 48 hrs. The juice from each vineyard was fermented separately using carefully chosen yeasts to enhance complexity. Post fermentation, the wine was settled and cold-stabilized. The wine is spritzed at canning for your enjoyment.

Tasting Notes

Pop open this can of joy and get ready for a party in your mouth! With its lively bubbles and stunning Rosé hue, this wine is your ticket to sparkling fun on the go. Picture a field of wild strawberries, melon, and a hint of rhubarb, with a sprinkle of Okanagan wild sage for that extra zing. Every sip is like a dance of flavors - think juicy strawberries, tangy grapefruit, and refreshing watermelon, all kissed by delicate rose water. And the best part? It's as versatile as your favorite playlist, pairing perfectly with picnics, beach days, or just chilling with friends. Get ready to sparkle wherever you go!
