

'En Famille'

Gewurztraminer 2023

Vineyard

- JoieFarm Winery, Naramata Bench

Production

Grown just steps from our winery, this Gewürztraminer comes from the very first vineyard we ever owned, making it a truly special part of the En Famille series. Hand-picked on September 16, the grapes were whole-berry pressed and cold settled for six days, allowing the purity of fruit and aromatics to shine. Fermentation was split between two lots: a small wild ferment that went fully dry and a larger ferment intentionally stopped to preserve natural sweetness and balance. The result is a beautifully off-dry Gewürztraminer that captures the essence of this historic vineyard—floral, spice-driven, and deeply expressive, with a fresh, mouthwatering finish.

Tasting Notes

Lush and aromatic, this Gewürztraminer opens with notes of Turkish delight, geranium blossoms, and roses in full bloom, layered with pink peppercorn, candied ginger, and exotic market spices. Hints of green apple, ripe pear, and pineapple mingle with black licorice, anise seed, and citrus rind, adding depth and intrigue. Floral undertones of jasmine and honeysuckle complement a subtle minerality and green, linear freshness. The palate is rich and textured, with a gentle warmth that softens over time, allowing the spice and fruit to shine against its off-dry balance.

Vintage		2023
Variety		Gewurztraminer
Acid		4.8 g/L
Residual Sugar		19.1 g/L
Alcohol		14.1 %
