Production

This wine combines the vibrant character of Washington fruit with the hallmark freshness of Okanagan grapes. The Washington Riesling and Gewürztraminer, sourced from Coventry Vale Farms, were fermented in separate tanks to build complexity before being blended. All local fruit was co-fermented in stainless steel to emphasize vibrant aromatics. Ehrenfelser and Oraniensteiner were separately skin-contacted and ambient fermented to add texture. Collectively, this amplifies its incredible texture and creates more depth and character. The result is a harmonious, layered wine that reflects the best of both regions.

Tasting Notes

A vibrant tribute to JoieFarm’s dedication to crafting aromatic, food-friendly wines, this wine delights with layers of tropical lychee, fragrant rose petals, and juicy peach. A hint of lime zest and warming spice weaves through, adding complexity and intrigue. On the palate, ripe fruits are balanced by a soft minerality, culminating in a long, elegant finish. Thoughtfully crafted with love and care, this blend celebrates the harmony of fruit from the Pacific Northwest and Okanagan, offering a joyful experience in every sip.
