PLEIN DE VIE 2023

"Full of Life"

Vineyards

- Secret Mountain Vineyard, Oliver
- Convida Vineyard, Skaha Bluff

Production

The 2023 PDV was crafted for vibrancy, purity, and sustainability. A warm growing season led to an early harvest, preserving its signature freshness and bright acidity. Pinot Noir was picked on August 28th, Chardonnay on August 24th and 25th, capturing balance and structure. Fermentation in stainless steel with a specially chosen yeast lasted 21 days, finishing dry, before the wine aged three months in neutral puncheons for texture and complexity. Secondary fermentation in the Charmat method enhanced its vivid aromatics and lively mousse. Made with a mindful approach to farming and winemaking, this sparkling wine is fresh, expressive, and effortlessly drinkable.

Tasting Notes

Vibrant and refreshing, this sparkling wine bursts with aromas of wild strawberries, roses, blood orange, and vanilla cream. Hints of brioche, tart cranberry, and strawberry pie add depth, with a touch of lees in the background. The palate is bright and energetic, with orange peel, vanilla custard, and marmalade adding warmth and complexity. Fine bubbles create a playful, refined mouthfeel. Refreshing and endlessly enjoyable, each sip reveals new layers of texture and flavour.

Vintage		2023
Variety		Pinot Noir 56%, Chardonnay 44%
Appellation		Okanagan Valley
Acid		6.38 g/L
Residual Sugar		7.2 g/L
Alcohol		11.8%
