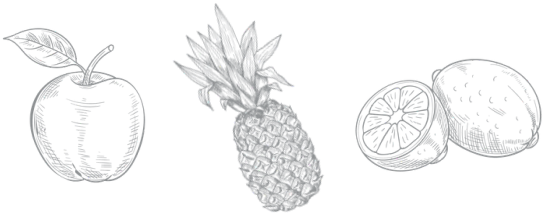
JOIEFARM COLLECTION

Our JoieFarm Collection represents the wines that established our reputation and continue to deeply define our identity today. It continues to evolve while honouring our roots - reliable, expressive wines that deliver consistent quality vintage after vintage.

TASTING NOTES

This vintage is all about balance—bright citrus, juicy stone fruit, and tropical hints all carried on a backbone of crisp acidity. Expect notes of green apple, honeydew, pineapple, lime, and a touch of grapefruit, with subtle floral aromatics rounding out the finish.



PAIRING

Pairs beautifully with spicy fish tacos, fried chicken, and brunch fare. Bright acidity and tropical notes make it a refreshing match for any outdoor activity under the sun, from paddle boarding to lawn lounging.
