

# Tiny Bubbles Rosé

Okanagan Valley

## JOIEFARM COLLECTION

Our JoieFarm Collection represents the wines that established our reputation and continue to deeply define our identity today. It continues to evolve while honouring our roots - reliable, expressive wines that deliver consistent quality vintage after vintage.

### TASTING NOTES

This refined sparkling Rosé brings a vibrant, effervescent lift to its core of wild raspberry and cherry blossoms, finishing with a crisp snap of pink grapefruit and watermelon. Its lively bubbles and subtle savoury undertones make it the ultimate "adventure-ready" refresher.

### WINEMAKING NOTES

Grapes were hand-harvested, and processed by direct pressing and overnight skin soaking. The Gamay underwent 5 days of cold stabulation to maximize aromatic intensity and texture. All lots were cool-fermented with site-specific yeast strains before final blending and carbonation.
