

2025 A Noble Blend

Okanagan Valley BC VQA

JOIEFARM COLLECTION

Our JoieFarm Collection represents the wines that established our reputation and continue to deeply define our identity today. It continues to evolve while honouring our roots - reliable, expressive wines that deliver consistent quality vintage after vintage.

TASTING NOTES

This classic Noble Blend opens with rose petals and sun-ripened orchard fruit. The palate is a bright, layered mix of Golden Delicious apple, lime, and lychee, supported by a subtle warming spice. The lively acidity and textured mouthfeel make this a versatile wine created for sharing at the table.

PAIRING

This dry, aromatic blend is perfect for a zesty lemon-herb rotisseries chicken or salty, crispy fish. This wine gets along with everyone - it's perfect for any dinner party or backyard gathering no matter what the plans are.
